Mrs Angela Mander, Head at Newfield Park Primary: "Our children are always thrilled when they are given a letter saying that they are visiting Sycamore Adventure. Although we have our own Forest School provision the centre offers so much more than we can at school. Our staff love it because they get the opportunity to observe our pupils engaged in different activities, sometimes showing different skills, which they then build on back at school. The package works out very economical, you would be hard pushed to find another educational visit that offers such good value".
