## What's been going on?

Staff, volunteers and visitors to Sycamore Adventure were thrilled with the reopening of the center in July 2021. The Covid pandemic has proved difficult for many people and we are so happy to welcome back children and families to enjoy our outdoor and indoor play opportunities within a safe environment.

### Zac Walwyn

Zac's favourite food is steak! He has volunteered for Sycamore for over 11 years! Zac loves watching football, and cricket and he loves to play wheelchair football. Zac is active and outgoing and is always willing to help out a friend.

## So far this year

### Summer Holidays:

This Summer over 3,500 children visited us since the centre re-opened. We managed to provide 5 themed weeks worth of activities alongside additional SEND sessions thanks to short breaks. This summer we also provided free meals and activities to those registered with the Holiday Activity Fund.

### Dudley Play Week 2021:

Following uncertainty, Dudley Play Week returned this year with a bang, we were pleased to welcome over 3,500 visitors to celebrate play, whilst working alongside almost 40 services who helped to create a wonderful atmosphere and a wide play menu for all that attended.
